

Mary and Ann enjoying music

Sometimes we need a little help

Mary tells Ann:-

Mary wishes Ann had left her on her own in the bathroom.

What could Mary have said to Ann?

What are the rules about private parts?

What should Mary do?
What happened was not Mary's fault.

Mary's Mum tells her "You are not to blame"
Mary is glad she told her Mum.

Don't keep your
worries to
yourself.

Talk to someone
who will listen
and who will help
you.
