

Mary and Ann enjoying music

Sometimes we need a little help

Mary tells Ann:-

Mary wishes Ann had left her on her own in the bathroom.

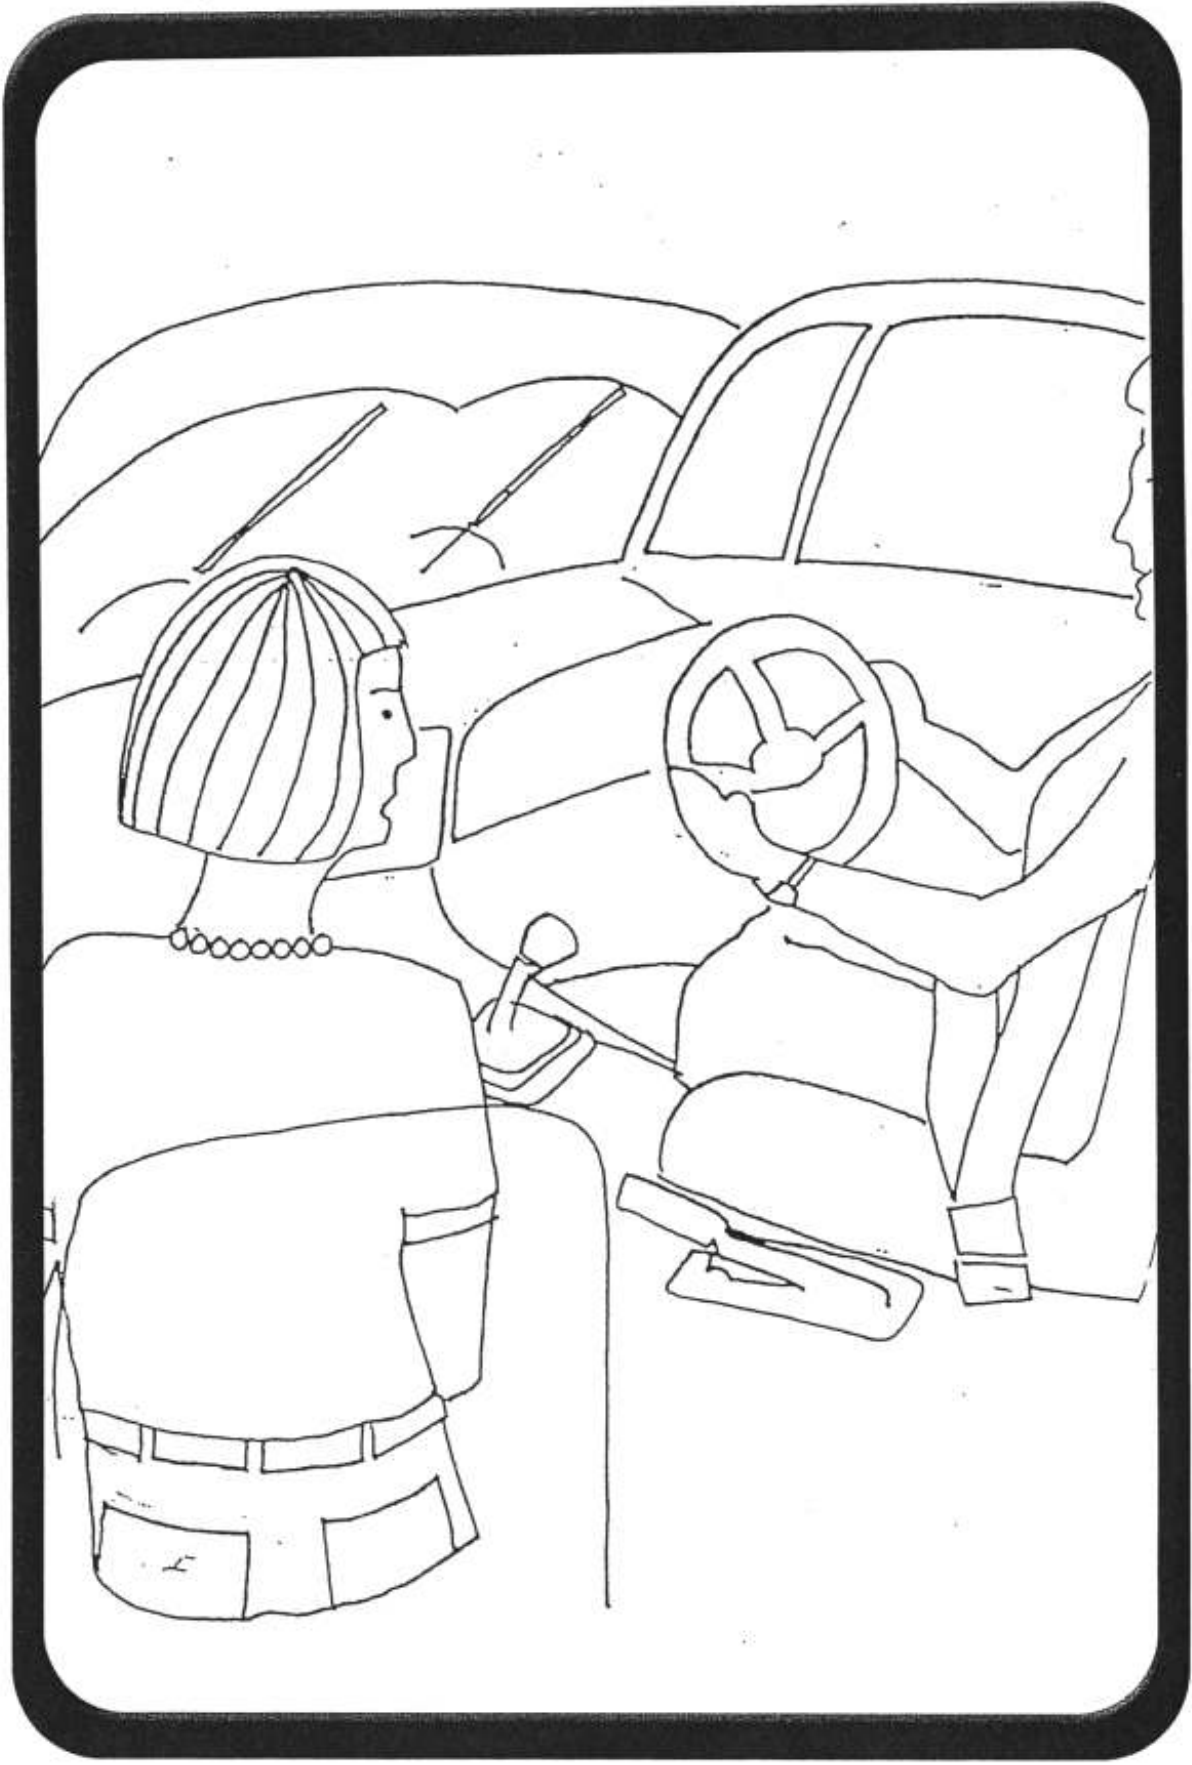

What could Mary have said to Ann?

What are the rules about private parts?

What should Mary do?  
What happened was not Mary's fault.

Mary's Mum tells her "You are not to blame"  
Mary is glad she told her Mum.

Don't keep your  
worries to  
yourself.

Talk to someone  
who will listen  
and who will help  
you.
